**NEWHAIR®**  
hair growth & regeneration  
ANTIQUÉ RECIPE

**Organic solution for hair health, based on an ancient recipe, made of 100% natural ingredients!**

### DESCRIPTION

**NewHair®** is an organic mask dedicated to hair care. It is manufactured according to an old recipe, made of 100% natural ingredients.

**NewHair® HELPS** hair grow, become healthier, stronger and more beautiful. The product is an effective tonic that prevents dandruff and **ENHANCES** healing of dermatological conditions affecting the scalp area.

**NewHair®** is recommended for both women and men who are losing or have lost their hair, or who have different affections of the scalp (e.g. dandruff, folliculitis).

Thanks to its pure organic content, based on apiculture and herbal products, **NewHair®** does not produce harmful effects during or after use. .

### COMPOSITION

Three types of honey, honeycomb, propolis, cinnamon, rosemary, extra virgin olive oil, jasmine, natural minerals and natural vitamins (contained in the above-mentioned ingredients).

### INDICATIONS

**NewHair® HELPS** with scalp rejuvenation in conditions like alopecia, dandruff, infections and dermatitis. It has NO side effects. It reduces hair loss after chemotherapy and radiotherapy sessions and **ENHANCES** hair regrowth after therapy.

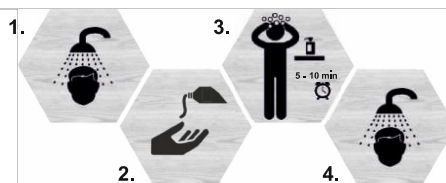

### CONTRAINDICATIONS

It is not recommended for children under 8 years old. Do not use if you are allergic to one or more of the ingredients.

Keep out of the reach of children. Do not swallow!

### HOW TO USE

Apply the treatment **2** times per week. At this dosage, the contents of the container will suffice for about **8** weeks. .

1. Moisten hair and scalp with warm water.
2. **Instructitons for women :** Open a bag(or 2 if necessary), pour the content in a bowl, add a teaspoon (0.1-0.15 fl oz) of water and mix until is creamy.  
**Instructions for men :** Open a bag, pour the content in your palm, mix until is creamy and then apply the cream on the wet surface of the scalp.
3. Apply the cream on the scalp, by circular movements, with gently massage, in order to cover the entire surface of the scalp. **Keep the cream on the scalp for at least 5-10 minutes.**
4. Rinse the hair/scalp with warm water; if necessary, use a baby shampoo.
  - \* For alopecia, in order to obtain maximum results, it is recommended to remove the cream by only using warm water (no shampoo) and to keep the cream on your hair for at least 10 minutes.
  - \* When the cream is used againts dandruff, folliculitis, or psoriasis, it is recommended to keep the cream applied on the scalp for minimum 10 minutes.
  - \* **NewHair®** can also be used in pre-styling procedeed for 5 minutes.
